

ING ALONG with *Susie Q*

A blue treble clef is positioned at the start of a yellow musical staff. The staff contains several yellow eighth notes. The text 'ING ALONG with Susie Q' is written across the staff, with 'ING ALONG' in blue, 'with' in yellow, and 'Susie Q' in blue script.

50^{*}s Fun!

Que Sera Sera

When I was just a little girl
I asked my mother, what will I be
Will I be pretty, will I be rich
Here's what she said to me

Que Sera, Sera,
Whatever will be, will be
The future's not ours to see
Que Sera, Sera
What will be, will be.

Then I grew up and fell in love
I asked my sweetheart what lies ahead
Will we have rainbows, day after day
Here's what my sweetheart said

Que Sera, Sera,
Whatever will be, will be
The future's not ours to see
Que Sera, Sera
What will be, will be

Well now I have children of my own
They ask their mother, what will I be
Will I be pretty, will I be rich
I tell them tenderly

Que Sera, Sera,
Whatever will be, will be
The future's not ours, to see
Que Sera, Sera
What will be, will be.

Music, Music, Music!

Put another nickel in
In the nickelodeon
All I want is loving you
And music, music, music

I'll do anything for you
Anything you want me to
All I want is kissin' you
And music, music, music

Closer, my dear, come closer
The perfect part of every melody
Is when you're dancing next to me

So, put another nickel in
In the nickelodeon
All I want is lovin' you
And music, music, music

REPEAT

Tennessee Waltz

I was dancin' with my darlin'
To the Tennessee Waltz
When an old friend I happened to see
I introduced her to my loved one
And while they were dancin'
My friend stole my true love from me.

I remember the night and the Tennessee Waltz
Now I know just how much I have lost
Yes, I lost my little darlin'
The night they were playing
The beautiful Tennessee Waltz.

Blueberry Hill

I found my thrill
On blueberry hill
On blueberry hill
When I met you

The moon stood still
On blueberry hill
And it lingered until
My dreams came true.

Oh the wind and the willow played
Love's sweet melody
But all of those plans we made
Were never to be
When we're apart
Oh you're part of me still
Cause you were my thrill
On blueberry hill

Oh, the wind and the willow played
Love's sweet melody
And all of those plans we made
Were never to be
When we're apart
Your part of me still
Cause you were my thrill
Up on that blueberry hill.

Dream

Drea-ea-ea-ea-eam, dream, dream, dream
Drea-ea-ea-ea-eam, dream, dream, dream
When I need you in the night
When I want you to hold me tight
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam, dream, dream, dream.

When I feel blue in the night
And I want you to hold me tight
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam.

I can make you mine, taste your lips of wine
Anytime night or day
Only trouble is, gee whiz
I'm dreamin' my life away.

I need you so that I could die
I love you so and that is why
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam, dream, dream, dream
Drea-ea-ea-ea-eam.

I can make you mine, taste your lips of wine
Anytime night or day
Only trouble is, gee whiz

I'm dreamin' my life away.

I need you so that I could die
I love you so and that is why
Whenever I want you, all I have to do is
Drea-ea-ea-ea-eam, dream, dream, dream
Drea-ea-ea-ea-eam, dream, dream, dream.

How Much Is That Doggie In The Window?

How much is that doggie in the window? (woof! woof!)
The one with the waggley tail
How much is that doggie in the window? (woof! woof!)
I do hope that doggie's for sale.

Well I must take a trip to California
And I'll leave my poor sweetheart at home
If he has a dog, he won't get lonesome
And the doggie will have a good home.

How much is that doggie in the window? (woof! woof!)
The one with the waggley tail
How much is that doggie in the window? (woof! woof!)
I do hope that doggie's for sale.

I read in the paper there were robbers
With flashlights that shine in the dark
My love needs a doggie to protect him
And scare them away with a bark.

I don't want a bunny or a kitty
I don't want a parrot that talks
I don't want a bowl of little fishies
'Cause you can't take a fish for a walk.

How much is that doggie in the window? (woof! woof!)
The one with the waggley tail
How much is that doggie in the window? (woof! woof!)
I do hope that doggie's for sale.

Release Me

Please release me, let me go
For I don't love you anymore
To waste a life would be a sin
Release me and let me love again.

I have found a new love dear
And I will always want her near
Her lips are warm while yours are cold
So, release me, my darling let me go.

Please release me, let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again.

Please release me, let me go
For I don't love you anymore
To waste our lives would be a sin
Release me and let me love again.

Release me and let me love again

Love Me Tender

Love me tender
love me sweet
never let me go
You have made my life complete
and I love you so.

Love me tender
love me true
all my dreams fulfilled
For my darlin' I love you
and I always will.

Love me tender
love me long
take me to your heart
For it's there that I belong
and we'll never part.

Love me tender
love me true
all my dreams fulfilled
For my darlin' I love you
and I always will.

Love me tender
love me dear
tell me you are mine
I'll be yours through all the years
till the end of time.

Love me tender
love me true
all my dreams fulfilled
For my darlin' I love you
and I always will
For my darlin' I love you
and I always will.

That's Amore

When the moon hits your eye like a big pizza pie

That's amore

When the world seems to shine like you've had too much
wine

That's amore

Bells will ring ting-a-ling-a-ling, ting-a-ling-a-ling

And you'll sing "Vita bella"

Hearts will play tippy-tippy-tay, tippy-tippy-tay

Like a gay tarantella

When the stars make you drool just like a pasta fazool

That's amore

When you walk down the street with a cloud at your feet

You're in love

When you walk in a dream but you know you're not

Dreaming signore

Scuzza me, but you see, back in old Napoli

That's amore.

REPEAT

Can't Help Falling In Love with You

Wise men say only fools rush in
But I can't help falling in love with you
Shall I stay
Would it be a sin
If I can't help falling in love with you.

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you.

Like a river flows surely to the sea
Darling so it goes
Some things are meant to be
Take my hand, take my whole life too
For I can't help falling in love with you
For I can't help falling in love with you.

Rock Around The Clock

One, two, three o'clock, four o'clock, rock
Five, six, seven o'clock, eight o'clock, rock
Nine, ten, eleven o'clock, twelve o'clock, rock
We're gonna rock around the clock tonight.

Put your rag shoes on and join the fun
We'll have some fun when the clock strikes one
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight.
We're gonna rock, gonna rock, around the clock tonight.

The clock strikes two, three and four
The band slows down we'll yell for more
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight.

When the chimes ring five, six and seven
We'll be right in seventh heaven
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight.

Eight, nine, ten, eleven too
I'll be around myself with you
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight.

When the clock strikes twelve, we'll cool the band
Rock right 'round the clock again
We're gonna rock around the clock tonight
We're gonna rock, rock, rock, 'til broad daylight
We're gonna rock, gonna rock, around the clock tonight.

Bye Bye Love

Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry

Bye bye love
Bye bye sweet caress
Hello emptiness

I think I`m gonna die
Bye bye my love bye bye.

There goes my baby with someone new
She sure looks happy, I sure am blue
She was my baby till he stepped in
Goodbye to romance that might have been

Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry

Bye bye love
Bye bye sweet caress
Hello emptiness

I think I'm gonna die
Bye bye my love bye bye.

I'm through with romance, I'm through with love
I'm through with counting the stars above
And here's the reason that I'm so free
My lovin' baby is through with me

Bye bye love
Bye bye happiness
Hello loneliness
I think I'm-a gonna cry

Bye bye love
Bye bye sweet caress
Hello emptiness
I feel like I could die
Bye bye my love bye bye
Bye bye my love bye bye
Bye bye my love bye bye.

Have I Told You Lately That I Love You?

Have I told you lately that I love you?
Could I tell you once again somehow?
Have I told with all my heart and soul how I adore you?
Well darling I'm telling you now.

This heart would break in two if you refuse me
Cause I'm no good without you anyhow
And have I told you lately that I love you
Well darling I'm telling you now.

Have I told you lately when I'm sleeping
Every dream I dream is you somehow?
Have I told you why the nights are long
When you're not with me?
Well darling I'm telling you now.

My heart would break in two if I should lose you
I'm no good without you anyhow
And have I told you lately that I love you
Well darling I'm telling you now.

My heart would break in two if you refuse me
I'm no good without you anyhow
And have I told you lately that I love you
Well darling I'm telling you now.

Who's Sorry Now

Who's sorry now
Who's sorry now
Who's heart is aching for breaking each vow
Who's sad and blue,
Who's crying too
Just like I cried over you,

Right to the end,
Just like a friend
You tried to tell me somehow
But you had your way
Now you must pay
I'm glad that you're sorry now.

Right to the end
Just like a friend
You tried to me somehow
You had your way
Now you must pay
I'm glad that you're sorry now.

All Shook Up

Well bless my soul
What's wrong with me?
I'm itching like a bug on a fuzzy tree
My friends say I'm actin' wild as a bug
I'm in love UH!
I'm all shook up
Uh, uh, yeah, yeah!

My hands are shaky and my knees are weak
I can't seem to stand on my own two feet
Who do you thank when you have such luck?
I'm in love UH!
I'm all shook up
Uh, uh, yeah, yeah!

Chorus

Please don't ask me what's on my mind
I'm a little mixed up, but I'm feelin fine
When I'm near that girl that I love best
My heart beats so it scares me to death!

She touched my hand what a chill I got
Her lips are like a volcano that's hot
I'm proud to say she's my buttercup
I'm in love UH!
I'm all shook up
Uh, uh, yeah, yeah!

REPEAT from Chorus

Crazy

Crazy, I'm crazy for feeling so lonely
I'm crazy, crazy for feeling so blue
I knew you'd love me as long as you wanted
And then someday you'd leave me for somebody
new
Worry, why should I let myself worry?
Wond'ring what in the world did I do?
Crazy for thinking that my love could hold you
I'm crazy for trying and crazy for crying
And I'm crazy for loving you
Crazy for thinking that my love could hold you
I'm crazy for trying and crazy for crying
And I'm crazy for loving you.

We'll Meet Again

We'll meet again
Don't know where, don't know when
But I know we'll meet again, some sunny day
Keep shining through
Just like you always do
Till the blue skies drive the dark clouds, far away.
And won't you please say hello
To the folks that I know
Tell them I won't be long
They'll be happy to know that when you saw me go
I was singing a song
We'll meet again
Don't know where, don't know when
But I know we'll meet again, some sunny day
Oh I hope we'll meet again, some sunny day
Oh yes, I hope we'll meet again, some sunny day.
